The present application has been assigned to WEMTEC, Inc., as evidenced by the attached page from the USPTO PAIR system. As such, the Applicants respectfully request that the Examiner change the Attorney Docket Number from 10599/130 to 13050/12.

In the present Office action, the Examiner has required an election of one of the following species in accordance with 35 U.S.C. §121:

- I. As shown in Figs. 1, 2, 9, 11, 13, 15, 16 and 17 and paragraphs 17 and 45-54;
- II. As shown in Figs. 3 and 4 and paragraph 54;
- III. As shown in Fig. 5 and paragraph 56;
- IV. As shown in Fig. 6 and paragraph 57;
- V. As shown in Fig. 7 and paragraph 58; and
- VI. As shown in Fig. 8 and paragraph 59.

The Applicants elect species VI, without traverse. Of the original claims, the Applicants respectfully submit that Claims 1-7 and 43-44 read on Fig. 8. The Applicants have introduced new Claims 48-71 to further describe the subject matter to which the Applicants are entitled, and respectfully submit that Claims 48-71 also read on Fig. 8 and should be included in the elected claims of species VI. As this response also included an amendment of the claims, the withdrawn claims are so marked.

The Applicants respectfully submit that the application is in condition for allowance. The Examiner is respectfully requested to contact the undersigned in the event that a telephone interview would expedite consideration of the application.

Respectfully submitted,
